Explanatory Note Regarding Return from Leave of Absence

Dear Provost,

I am writing to request to return from my Leave of Absence, previously granted for the Fall 2025 semester. I have successfully completed my international research internship in Taiwan, which took place from July 30, 2025, to early November 2025.

During this internship, I worked on a collaborative research project at the National Taiwan University. The experience has greatly enhanced my research and technical skills, deepened my understanding of Machine Learning applications, and strengthened my academic foundation for further studies at Nazarbayev University.

As the internship is now concluding, I am eager to resume my academic studies starting from the Spring 2026 semester. I respectfully request permission to return from my Leave of Absence and continue my coursework within the School of Sciences and Humanities.

Thank you for your attention and consideration.

Sincerely,  
Dameli Kassym
